Important Notice

The information contained in this presentation is provided by Global Logistic Properties Limited (the “Company”) in relation to its acquisition of an interest in Vallog S.r.l and should be read in conjunction with the press release dated 11 August in relation to the same subject matter.

This presentation contains statements that constitute forward-looking statements which involve risks and uncertainties. These statements include descriptions regarding the intent, belief or current expectations of the Company in respect to the consolidated results of operations and financial condition, and the future event and plans, of the Company. Such forward-looking statements do not guarantee future performance and actual results may differ from those in forward-looking statements as a result of various factors and assumptions. You are cautioned not to place undue reliance on those forward-looking statements, which are based on the current view of the management of the Company on future events. The Company does not undertake to revise forward-looking statements to reflect future events or circumstances. No assurance can be given that future events will occur, that expectations will be achieved, or that the Company’s assumptions are correct.
GLP has acquired 90% stake in Vailog S.r.l.’s (“Vailog”) current property portfolio
- GLP has option to acquire the remaining 10% stake from Vailog

Vailog is an Italian company with a strong track record of building quality modern logistics facilities

Total consideration is USD60.2 million

Both properties have a combined NLA of 150,228 sqm
- 112,750 sqm completed with full occupancy
- 37,478 sqm under construction

Excellent locations
- Properties located approximately 20 km from Shanghai Hongqiao International Airport
- Minimal new supply is expected in near future while demand is expected to grow

GLP has established a strategic relationship with Vailog to collaborate on land sourcing and development opportunities
- Both companies currently working on development projects under 90:10 JV structures
**Transaction Overview**

| Acquisition Target              | Vailog Jiading Distribution Center ("Vailog Jiading")
|                                | Vailog Songjiang Logistics Park ("Vailog Songjiang") |
| Effective shareholding acquired | 90%                                                      |
| Location of properties          | Jiading District & Songjiang District, Shanghai          |
| Properties/assets acquired      | Completed and properties under construction with total NLA of 150,228 sqm |
| Type of properties              | Logistics facilities                                     |
| Payment consideration           | USD60.2 million                                          |
| Acquisition method              | Offshore equity transfers of companies                   |
| Board representation            | 3 out of 4 Board seats                                   |
Acquisition Rationale

➢ Strategic location
  - Excellent locations in Western Shanghai provide convenient access to Shanghai, Jiangsu and Zhejiang provinces
  - Close proximity to mature industrial zone and superior location

➢ Tight demand and supply situation
  - Both Vailog Jiading and Vailog Songjiang (Phase I & II) are fully occupied
  - Vailog Songjiang (Phase III) currently under construction enjoys high pre-lease ratio of 50%
  - Strong leasing interests from potential customers
  - Limited supply of large-scale logistic land sites in both Jiading and Songjiang District

➢ Improves network effect
  - Adds 150,228 sqm of high-quality modern logistic facilities to GLP’s portfolio
  - Solidifies GLP’s market leadership in the Jiading and Songjiang sub-markets
  - Enhances GLP’s relationship with prominent customers, including DB Schenker, TOLL, Li-Ning and Elee
  - Acquisition improves economies of scale relating to marketing and property management activities

➢ Strategic partnership
  - Reinforces GLP’s business development capabilities
  - Excellent land sourcing and development platform
